Project Review Checklist

national history day MN

This checklist will help you double check your project to make sure you are including the important pieces.

Go through each item that should be included and put a checkmark in the correct column:
- **Found It:** This is included in your project
- **Not There:** This is missing from your project
- **N/A:** This is intentionally not included in your project
- **Notes:** Make notes on where materials were found or what was missing and how you plan to include it during edits
